

Grace Anne
Received blood and platelet
transfusions to treat her leukemia.

Blood Drive

Memorial Medical Center

Summer is a critical time for blood donations. Please take the time to donate. Just one donation can save up to three lives!

Tuesday, June 29, 2010

11:00 a.m. to 4:00 p.m.

Manz Conference Center

For an appointment or more information call Jeanie Sromek at 743-4040. Walk-ins are welcome. Please help meet the local need for blood products. Your support is greatly appreciated and needed.

BloodCenter is the sole supplier of blood to Memorial Medical Center in Neillsville. Refreshments provided.

BloodCenter of Wisconsin advances patient care by delivering life-saving solutions grounded in unparalleled medical and scientific expertise. With your help, we can ensure that patients in our local hospitals never have to worry about the blood they need being available.

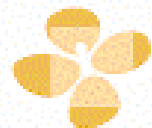

To donate blood, you must be:

- *In good health*
- *At least 17 years old (16 years old with parental consent), no upper age limit*
- *Weigh at least 110 lbs.*
- *Have a photo I.D.*

All donors should feel in good health on the day of donation.

There are some reasons why you may not be able to donate.

Please be prepared to share your list of prescription medications, discuss your medical history and travel outside of the United States.

BLOODCENTER
of WISCONSIN™

*Doing more good
than you know.*
