Memorial Medical Center Offers CPR Class

Memorial Medical Center - Neillsville is offering a CPR certification class on June 22nd and 24th. Participants must attend both sessions in order to receive certification from the American Heart Association.

This two-part class is designed for people who are in a nursing program, CNA program, day-care setting, or others who would like to learn how to perform CPR for infants, children and adults. The class will cover CPR for these three age groups, AED and choking.

The sessions will be held from 6:00-9:00 p.m. in the Manz Conference Room. The cost to attend the class is \$45, and, for an additional \$15, participants can keep the CPR manual.

For more information or to register for the class, please contact Linda Ollech, RN, at 715.743.8452.
