Our Mission

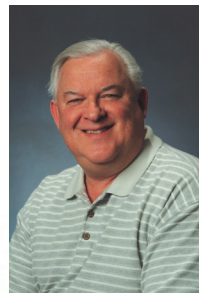

To provide the communities we serve the best experience in health care, education, and prevention, supported by our pillars of people, service, quality & safety, community, finance, and growth ...one patient at a time.

Our Vision

To become the best rural health care organization throughout the Midwest, in the eyes of our community, patients, medical staff, and employees.

The Medical Staff of Memorial Medical Center would like to wish your family a happy holiday season.

Season's Greetings

2012 - A Year of Growth

In 2012, many new and exciting changes will occur at our facility. First, we will be extending our hours in the clinic to be open Monday through Friday 7:30 a.m. to 7:00 p.m. The extended hours will help us serve our community members better and allow more flexibility in scheduling your appointments. In addition, we will be adding two new doctors to our medical staff. We are fortunate to announce that Dr. Amy Schneider of Greenwood and Dr. Alexander Pleszynski-Platz of Indiana will join our staff in 2012. Our doctors are amongst the finest men and women in the health care profession and we are proud of the service they devote to Neillsville and the surrounding areas. As we continue to grow, continue to learn, and continue to improve, we anticipate a very successful 2012!

We are also pleased to announce that our Foundation has received the non-profit status from the IRS and is now able to accept donations on behalf of Memorial Medical Center. The Foundation will assist in securing a financial future in health care. You can learn more about the Foundation by our website memorialmedcenter.org. Additional information concerning the Foundation will be coming to your home in 2012!

We look forward to another exciting year at Memorial Medical Center and we thank you for allowing us to serve you. Season's Greetings!

Scott Polenz, CEO of Memorial Medical Center
